

Climate Smart Communities Task Force  
March 2, 2023  
Minutes

Meeting began at 3:30pm

Attendees:

Ron Till – Task Force Coordinator

Chris Cameron – Task Force Member

John Hartman – Mayor, Village Board Liaison

1. Discussion on CSCTF goals
  - a. Long term is to complete enough actions to attain CSC Bronze Certification
  - b. Short term is to focus on village buildings and operations
2. Community Benefits from CSC Program
  - a. Discussed what we see as benefits to the Village of Churchville from completing actions in the CSC program (and by extension, the CEC program).
  - b. CEC Certification already attained (LED street lights, Chevy Volt and dual head L2 charger installed as part of the CEC program)

Discussion on who needs an account on the CSC website. It was decided that John and Ron would have accounts to update the application as actions are completed.

Chris talked about other resources he is familiar with that may be helpful, particularly [dsireusa.org](http://dsireusa.org).

Actions:

- John to look into the Village Benchmarking Policy, adopted as part of the CEC certification.
- Ron to investigate other grant opportunities and NYSTRETCH code.
- Chris to investigate additional resources he's familiar with.

Meeting adjourned at 4:30pm.
