

Climate Smart Communities Task Force  
May 1, 2023  
Minutes

Remote Meeting began at 3:30pm

Attendees:

Ron Till – CSCTF Coordinator

Daryl Chesly – CSCTF Member

John Hartman – Mayor, Village Liason

Rachel Scudder – CSC Coordinator

Rob Richardson – CEC Coordinator

Ron is still having problems with logging in to the portal. Rachel continues to help.

The meeting consisted of walking through all the CSC Actions to identify those we want to tackle first. Numerous items were identified, and task force members were assigned to complete them.

If all these actions/items are completed and approved, they would total 93 points (120 needed for bronze). These are the low-hanging fruit.

John uploaded Village Board resolutions for PE1 credit.

Ron talked about the solar charging system he set up at his home for his cordless tools. He would like to investigate the possibility of doing something similar at the DPW.

Meeting adjourned at 4:30pm
