Fax: (585) 293-2590 Fax: (585) 293-3693

Dear community members,

The Village of Churchville is seeking volunteers to join our Climate Smart Churchville Task Force. The mission of the CSC Task Force is to advise and collaborate with village elected officials to accomplish plans, programs, and activities that are part of the NY Climate Smart Communities Certification Program to attain Bronze Certification as a Climate Smart Community.

We are looking for individuals who are passionate about the environment, have excellent communication skills, and are willing to dedicate their time and resources to make a difference. Whether you have experience in environmental activism or simply want to make a positive impact, we welcome you to join our team.

As a volunteer, you will have the opportunity to work with like-minded individuals, participate in community events, and contribute to meaningful change. If you're interested in joining our Climate Smart Churchville Task Force, please submit a brief summary of your relevant experience and why you want to be a part of this effort via email to [mayor@churchville.net](mailto:mayor@churchville.net), or by mail to PO Box 613, Churchville, NY 14428. Letters may also be dropped off at the village office.

Thank you for considering this opportunity to make a difference. Together, we can create a more sustainable and environmentally conscious future.

Mayor John Hartman
